The Registrar's Office administers academic processes, enforces academic regulations, and tracks students' academic progress. The office coordinates closely with academic advisors and academic units to guarantee the accomplishment of the following responsibilities: implementing updated study plans; maintaining student's academic records; enforcing University academic regulations, policies, and bylaws; tracking students' performance and generating students' statistical reports; preparing courses and exams schedules; assigning classrooms; registering students for the correct classes; issuing transcripts; verifying graduation lists; ensuring up-to-date CampusVue records and information; and updating and publishing University calendar and catalog.

The Registrar's Office uses the CampusVue Student Information System to implement academic processes and maintain students' records in coordination with the MIS team at the IT Center. Students and faculty have CampusVue personal secure accounts to access relevant documents, courses, schedules, grades, etc.

For registration procedures, deadlines, and related issues, please refer to the Registration section in this catalog or visit www.rhu.edu.lb/registrar

Registration

After consulting with their academic advisors, students must register for the courses they intend to take during the registration period noted in the academic calendar, presented in this catalog, and posted on the University website: www.rhu.edu.lb/. During the registration period, academic advisors assist students in preparing course schedules by completing the Course Registration Forms and activating their personal online CampusVue registration. Copies of the Course Registration Forms must be sent to the Registrar's Office after the drop/add period to verify students' schedules and for archiving. Any course registered online by the student without prior approval of the academic advisor shall be automatically dropped.

The course schedule must comply with the following rules: the prerequisite(s) of the courses the student intends to take were completed, the courses are required by the program and are taken in the order noted in the program's study plan, failed courses are taken when first offered, and the maximum and minimum load rules are met. After completing registration, the student must print the statement of fees and pay all applicable tuition and fees by the announced deadlines. Failure to meet financial commitments may result in the class being dropped from the schedule.

National Social Security Fund (NSSF)

The Lebanese Law mandates that all Lebanese students be registered with the NSSF. This requirement does not apply to non-Lebanese students. A Lebanese student admitted to RHU must complete the Social Security Application form dispatched with the admission letter. On the form, the student indicates:

- NSSF status (beneficiary or not)
- NSSF number if already registered (employed students only)
- NSSF number of parents (if beneficiary)
- An official attestation of the type and source of all benefits, including NSSF.

Refer to the Student Services section for more information on NSSF matters.

Passport and Visa

Expat students admitted to RHU must have their passports valid for 13 months from the date of joining RHU and obtain a visa from the Lebanese Embassy in their country of origin.
